from **SANCTUARY!** by Graham Harrop

adavsociety.org

I'd never seen
grass until I
was rescued!
You can't grow
anything on a
cold cement
floor....

I spent time in a
research lab.
I had to play
'Rescue Me!'
27 times before
someone finally
got the hint!

The only lab
I want to see
had big ears
and a
wet nose!
